## Dear Vero Beach Orchestra Supporter:

The Oslo & Storm Grove Middle School Orchestra warmly requests your community support for their upcoming **"CLIMB EVERY MOUNTAIN" Spring Concert on Friday, May 6, 2016 at 7:00pm at the Vero Beach High School Performing Arts Center. The benefit concert will feature famous guest artists: The Adam Ezra Group. Voted New England's Band of the Year 2014- The Adam Ezra group will perform their own original music and well known pop music alongside our talented orchestra students.**

OMS & SGMS Orchestras are highly recognized at both the county and regional levels consistently receiving "Superior" ratings, including earning "Straight Superior" ratings, in the 2015 FOA District Concert Music Performance Assessment (MPA). The students are highly regarded for their performances throughout the year from small community performances to their annual fall and spring concerts.

Fundraising is an ongoing commitment on behalf of our OPUS committee because of lack of available school funding for these community enriching programs that serve over 200 students. **Our total fundraising goal for this school year's budgetary needs is: \$ 25,000.00**

No doubt you will appreciate this opportunity to advertise your business while supporting the performing arts and our community!
